- 

## Experience

### Amazon | Transportation Area Manager (DOT-Regulated)

Phoenix, AZ | May 2025 - Present

- Manage end-to-end operations for middle-mile transportation, focusing on delivery timeliness, staffing efficiency, and route optimization.
- Utilize Amazon platforms (Quicksight, A to Z) to track KPIs, forecast volume surges, and adjust labor plans.

- Lead teams and collaborate cross-functionally to resolve real-time transportation challenges and maintain compliance with DOT standards.

### **Incyte | Global Manufacturing & Supply Intern**

Wilmington, DE | Summer 2024

- Automated pharmaceutical inventory reconciliation across SAP and multiple Contract Manufacturing Organizations (CMOs), reducing manual touchpoints.
- Coordinated international timelines and presented data updates to supply chain leadership.
- Strengthened demand visibility and process alignment between internal and external partners.

### **Oracle Tech Sales Competition | Technical Lead (WMS)**

Tennessee | April 2025

- Led technical implementation presentations of Oracle Warehouse management systems to simulated enterprise buyers.
- Delivered supply chain use cases on digital warehousing, SKU tracking, and process integration.
- Gained hands-on experience in tech sales, client discovery, and value-based technical solutions.

### **Entertainment Tents | Field Operations Lead**

Sunbury, PA | Summer 2021 - 2022

- Directed logistics and team training for large-scale event setups, applying workflow optimization and customer-facing problem-solving.

---
